

First Annual Nutria Rodeo

SASSAFRAS LOUISIANA is very proud to announce that it will host the First Annual Nutria Rodeo on December 3rd, 2011! The Nutria Rodeo is an effort to bring much needed attention to invasive species populations found in southern Louisiana, and will be set up similar to a fishing rodeo but with a creative twist. Each participant must follow all federal and state hunting laws and will be required to purchase a ticket prior to weighing in nutria, coyote, Asian carp, or feral swine. The Hurricane Levee Band will be playing most of the day and Cajun food will be sold. We would like to have a strong presence from anyone who is interested in having others learn about what their organization is doing to preserve or restore Louisiana, and how the youth can become involved. All exhibits/booths will be positioned under a large tent. If you are interested in being an exhibitor for the First Annual Nutria Rodeo please fill out this sheet and mail it to the address at the bottom of the page or email it to alexnaquin@sassafrasla.org.

Exhibitor Information

Name of organization: _____

Contact Person: _____

Mailing Address: _____

Phone: _____

Email: _____

Please explain what you will be displaying and/or distributing (general terms):

For your exhibit, do you require any special accommodations? (Electricity, etc.) If so, please list here. _____
